The amazing thing is that I ever have anything left over. The portions at that Puerto Rican place are enormous even by my standards.

Yes, I'm anticipating dinner because I know what I have in the fridge and I am *not* turning the computer on once I get home.

You think SR would notice if I called in dead tomorrow and took off for the hills? I just realized it's Tuesday, and by day's end, counting Saturday, I will be over thirty-two hours for the week already, *if* I go home at four. So much for the relaxed life of the government employee.

It's a good thing I don't have a girlfriend right now. I don't have time for the fights about not having any time.

In retrospect, the Buffalo wings were a complete greasebomb, but oh, my god, did they taste fantastic. Sometimes I wonder if Hafidha has the right idea.

All right, unconscious mind. We're coming to an accommodation. If the dreams are you cleaning house, putting

Elvis doesn't live here anymore.

Hey there. Sorry about the drama. It was... it was an emotional decision, and I didn't handle it well. So yeah, I'm

Puppets. Puppets. Puppet puppets.
Scary.

!
!!

They so do not look that freaky.

...do they?

You need a better light in your bathroom, man. I bet it doesn't even have a window, does it?

And of course I have the right idea.

I'm me.

Are you kidding? I look for excuses to use the word "heterochromia" so I can point you out to people.

No, yours isn't quite that dramatic. You've got more brown in the hazel one. But when the light hits right, it's pretty striking.

Also, you went shooting *and* got beat up by Lau? Both on the same day? Hel-lo, previously unsuspected masochistic streak... *g*

I went shooting WITH Lau. After she beat me up.

She has many previously unsuspected skills.

Oh, well, in THAT case, we're talking about not even slightly masochism. *waggle eyebrows* *smirks*

Dude. Have you seen that woman?

She can hit me *as much as she wants*.

Was that shallow? Because I so don't care.

I have seen rain on blacktop deeper than that. And oh, baby, I so wouldn't care, either.

OMG, we're having a bonding moment over hot girls!!!! ROFL!

It's a little like being the bad guy in an John Woo movie, you know? I understand why they sign up, even though they know they're gonna get their heads handed to them in the final reel.

Hubba.

(And what else would we bond over? Hot boys? Not happening, I'm afraid.)
